BAR HILL RESIDENTS' ASSOCIATION – AGM –

This will be held at 7.30pm on Tuesday 15th May in the Parish Council office.

Please consider joining the Committee to help make decisions that concern the village.

We meet only once a month on the first Tuesday of the month, at 8pm for an hour or so.

THE RESIDENTS' ASSOCIATION NEEDS A TREASURER

Martin Avery, who has served as the Association's Treasurer for many years, has announced that he will retire from this honorary post at May's Annual General Meeting. The post requires only an hour or two's work and attending the monthly committee meeting each month. For more information, contact Roger Hall, Chairman, on 01954 780304 or email roger.hall90@ntlworld.com.

NOTICE – PARKING

Please report any concerns regarding inconsiderate parking direct to the Police on

<http://tinyurl.com/SouthCambs-Parking>

Lorries – Cars – Vans

Just state village, street, and the nature and effect of the problem including vehicle registrations, dates, times, paths, verge, etc. and press submit – Thank you.

A14 WORKS – CHANGE TO CITI 5

Stagecoach service 5 serving Bar Hill and Central Cambridge will change as a result of the works on the A14.

The current frequency from Bar Hill will reduce to half hourly. Our bus will have to travel towards Cambridge Services in order to be able to head into the city.

This will add considerable time, particularly during the peak hours and in the event of any traffic issues on the A14, to the journeys. We would advise customers to take earlier journeys in order to arrive near to the times they require.

There will be updates on the Parish Council website and noticeboard.

BAR HILL COMMUNITY CAR SCHEME A Voluntary Car Scheme for residents of Bar Hill.

We are now recruiting volunteer drivers – do you have a few hours to spare now and again?

We need your help to provide this valuable service for those who do not have the use of a car and struggle with transport.

For more information, please contact the Car Scheme Coordinator – Russell Brown on 07496 465330.

— LETTER —

Dear Editor

I feel I have to write to express my own and many other residents utter sadness and disgust at the decimation of the hedgerow along the Spine Path at Hillcrest following recent maintenance work.

This beautiful wild hedgerow which did not appear to be in any particular need of any work or attention has rather than just be cutback or tidied been completely ripped out for a 50 metre stretch. What was a fantastic habitat for wildlife, home to countless songbirds and animals including hedgehogs has been totally destroyed and amounts to little more than wanton vandalism.

Sadly it will take years for the hedge to grow back to anything like it was, and the damage to the grass along the path from having a tractor driven over it leaving deep ruts will not repair itself unless it receives some proper attention. What was a lovely hedgerow enjoyed by pedestrians along the path, home to wildlife, and a natural barrier between the houses is now an ugly eyesore.

When asked what they were doing a contractor replied they had been told to tidy the hedge before the 1st March which is classed as bird nesting season. Sadly following its destruction the birds will now be completely unable to nest in it anyway! I do appreciate the Parish Council is under obligation to maintain the hedgerows around the village but the work done in this case has been well over the top and to be quite frank a total disgrace. I really hope the Parish council does not have any future plans for ripping out hedgerows and in the future better briefs its contractors.

Yours sincerely

Mr J Phillips, Hillcrest Resident

AIRFIELD ROAD

Some individuals are spreading rumours that the Airfield Road will be shut extremely soon. I can only assume that they have based their rumours on statements made at the January meeting of the Northstowe Community Forum. As I made clear in my email of 18 February, the Homes and Communities Agency have subsequently confirmed to me that the road cannot be closed without the statutory 28 day consultation process taking place. As yet I have heard no date for the start of this process.

If anyone has solid information to the contrary, please could they contact me so I can correct this statement.

A14 Closures

Mr Pettipher and Mr Evans attended the March Environment and Amenities Committee meeting to talk about the future road closures and progress with the A14 Improvement Scheme.

The bridge over the A14 and Hattons Road will be closed from 3 to 10 April (ie immediately after Easter public holidays) to all traffic, day and night. This is essential while temporary slips road are built/tied in.

Diversions will operate, access from Bar Hill to Cambridge will be A14 to Swavesey junction to turn and head back East. Traffic wanting to come into Bar Hill from Huntingdon will access by coming in from Cambridge direction, ie go up to the Dry Drayton junction and come back. Traffic from Longstanton/Willingham/Earith will need to avoid Hattons Road and the bridge by taking a route to pick up the A14 from the Cambridge direction.

Highways England will be releasing information, posters, leaflets, and road signs will be put up beforehand.

More information on progress, how the new local road giving nearby villages the option of getting in and out of Cambridge without using the A14, and expected closures will be available to residents when Highways England attend the Annual Parish Meeting on 26 April – do come along. A mobile Archeology bus is planned for Thursday 29 March 2018 from 10.30am to 4pm on Tesco Car Park.

Lost Property

A number of bicycles have been cleared up after being dumped in the stream and other locations around the village and remain unclaimed. We also have a number of smaller items, spectacles, walking stick, keys etc Please contact the Clerk by noon on Monday 16th April to reclaim – items will be disposed of after that date.

Village Green Drainage

The Council is concerned about the pool of water at the bottom of the Village Green which has not drained away this year. This is being investigated to find the cause/invest in improvements.

Inconsiderate Parking

We receive a number of complaints about obstruction for footway users in many of the residential areas. This makes it dangerous for pedestrians, especially children, pushchairs, and mobility scooter users. Please use your driveways and garages wherever possible. Anyone with concerns should report at the time direct to <http://tinyurl.com/SouthCambs-Parking> stating street, nature and effect of problem including vehicle registrations, dates, times path, verge etc. Vehicles should not park on verges nor green spaces maintained by the Council. The District Council urges residents to not cause an obstruction or restrict access for the bin lorries.

Spring – Grasscutting

The new contractor will commence shortly. Please help us by ensuring there are no obstructions or debris restricting access for grasscutting activities.

Pneumococcal Vaccination

If you are 65 years or over and have never received a pneumococcal vaccination please contact the surgery to book an appointment. Please note that the pneumococcal vaccination is only given once to over 65's not annually. Some patients may have a medical condition which puts them at risk so may also be eligible, we will be notifying these patients by SMS message, or by letter.

Dr Gillard's donations

Following a water leak from the drinking machine over the Christmas period we are now replacing the waiting room carpet. We hope that this will now be fitted in the next few weeks and we will then be able to complete the new children's area using some of the money agreed from Dr Gillard's donations.

Pictures are still being sought for the newly decorated corridor.

Many within the Bar Hill community know that I will be leaving the school at Easter in order to join Ofsted as an HMI for the eastern region. After teaching in this country since 1995 and working in school leadership for nearly 20 years, I have come to question what the education system needs locally and nationally to make things even better. A big part of my conclusions is that the education system, while needing a bit less political distraction and a bit more money, needs a bit more Bar Hill. Bar Hill is a leading school - locally, nationally and internationally - with firmly embedded values that reach back to the school's establishment 50 years ago. The school and the community it serves provide an exceptional model of education that, if bottled, could make huge change in other schools and communities.

As the school goes forward under the leadership of the new headteacher, Janette Quinn, and the governing body, I feel confident that Bar Hill School will continue to be a strong school with a very optimistic future.

Dr. Al Mistrano, Headteacher

– BAR HILL TORNADES U10 – – WHITES & BLUES –

This season has been a tale of two halves for the Whites, who have gone from strength to strength since the new year arrived, enjoying competitive games against equally matched opponents. They are currently on their longest ever unbeaten run (spanning 8 weeks thanks to the inclement weather!) which has been fantastic for building the players' confidence.

The Blues have enjoyed pitching themselves against the strongest teams in the county this season, with the players rising to the challenges this has brought. Their dedication and teamwork has brought some great footballing moments, which players and parents alike will cherish for a long time.

Looking ahead to next season when we make the step up to 9 aside, both teams are looking to recruit an extra couple of players to ensure both squads remain viable. Contact Pete Tod on 07960 064472 (Whites) or Joe Egan on 07917 071906 (Blues) if you are looking to find a team for your child – we have boys and girls from school years 4 & 5. The Blues train 6-7pm on the AstroTurf in Bar Hill each Tuesday, while the Whites train 7-8pm.

— WILDLIFE TRUST —

Huntingdonshire Local Group

Portholme Meadow, Brampton

Our first Spring Walk is on Thursday 19th April when we will visit Portholme Meadow, an ancient meadow lying in a large flood plain boarded on two sides by the river Ouse. The meadow is a haven for breeding birds, such as corn bunting and skylark and also supports a rich variety of flora. Dr. Patrick Doody will lead us for this evening's walk which will focus mainly on one of Portholme's specialities, the Snakeshead Fritillary. Pat has a wealth of knowledge about the history and natural history of this meadow and this should be a very interesting evening.

Everyone is very welcome to attend, but please note that it is likely to be wet underfoot. We will meet at 7pm at Godmanchester lock (TL 241 704). The closest parking is in Godmanchester near the Chinese Bridge.

The Beautiful Bluebells of Brampton Wood

We invite you to experience the delights of a carpet of bluebells in this ancient woodland, which lies on our doorstep. You are welcome to share this enchanting scene by participating in a guided walk on Sunday 29th April.

George Cottam, Warden of Brampton Wood, will lead us through a rich variety of flora. His aim will be to highlight the beautiful scent, colour and freshness of the bluebells that encapsulate the essence of a traditional English spring. We also expect to see other woodland flora such as wood anemone, primrose and dogs mercury; early butterflies such as speckled wood, brimstone and orange tip; and we will also listen for the singing of the woodland birds.

Everyone is most welcome to attend. Please meet at Brampton Wood Car Park, Grafham Road, Brampton at 10.30am. GR TL 184698. Park in the Trust car park.

The Beautiful Bluebells of Brampton Wood

We have a second guided walk on Sunday 6th May when, once again George Cottam will lead.

Everyone is most welcome to attend. Please meet at Brampton Wood Car Park, Grafham Road, Brampton at 2.30pm. GR TL 184698. Park in the Trust car park. There is no charge, but donations are welcome. For more information please contact Pat on 01480 392706.

South Cambs Magazine

Have you received your magazine? It has lots of information for the coming months, especially activities for young people, all the bin collection dates. Contact me if you haven't received it.

Research into Housing for Older People

Research commissioned by South Cambridgeshire District Council, is providing new insights into the issue of older people's housing.

Researchers working closely with SCDC, Cambridge City Council and Cambridgeshire County Council, with funding from NHS England's Healthy New Towns programme, suggests there will be major shortages in specialist housing in many local authorities in coming years.

The research uses national data from the Elderly Accommodation Counsel (EAC) about the majority of older people's housing schemes in England.

Looking specifically at the local authorities with the highest level of supply, the research explored some of the factors associated with this, and how future social and demographic trends will affect demand for such housing in local areas.

The research has led to the creation of a new tool called the Housing for Older People Supply Recommendations (HOPSR). This provides local authorities with recommendations about the number of units of age-exclusive housing, specialist housing and care beds that will be needed in future years, and enables users to test different future scenarios. These recommendations are intended to stimulate discussion at a local level about how best to meet the needs of an ageing population.

The research revealed that the supply of specialist housing in Greater Cambridge will need to be 80% higher by 2035, compared to current levels, and with significant increases also required in age-exclusive housing and care beds.

Across England there is a recommendation for an additional 783,500 units of specialist housing, with 88 per cent of local authorities likely to require at least 1,000 additional units.

— HEIDI ALLEN MP —

Well, the Beast from the East certainly visited us in South Cambs at the end of February. I'm ashamed to say I couldn't actually get my car off the drive one particularly icy day ... no lady driver comments please!

I continue to focus on promoting all the infrastructure improvements we need. This includes the new railway station at Addenbrooke's, the A428 expressway (Highways England must include the Girton interchange as part of this project) and the East West Rail link.

In Parliament, I recently introduced a Bill which aims to improve the way the Child Maintenance Service (CMS) works, so on 20th February, I met the responsible Minister Kit Malthouse MP.

The CMS took over from the Child Support Agency a few years ago and following meetings with constituents, it became clear that improvements needed to be made to the new CMS. At my request, the Work and Pensions Select Committee, of which I am a member, conducted an investigation into the way the CMS was working for children and their parents.

My Bill seeks to close the legislative loopholes that allow a minority of parents to avoid paying their child maintenance and to provide the CMS with stronger enforcement powers. If you'd like to read more, please see the headline page on my website.

The Bill will have its Second Reading on the 27th April and I am encouraged by the Minister's willingness to work with me.

Sadly, the bad weather meant my last surgery was cancelled. I will be holding a normal "drop in" surgery at Caldecote Primary School, Highfields Rd, Highfields Caldecote, CB23 7NX on the 21st April between 10am and 12pm where no appointment will be necessary.

Details of all upcoming surgeries can be found on my website — www.heidisouthcambs.co.uk.

To contact me, please email

heidi.allen.mp@parliament.uk. You can also phone my Westminster office on 020 7219 5091 about national issues or my constituency office on 01223 830037 for local concerns.

See you next month!

— VILLAGE HALL —
01954 782892

Bar Hill Preschool is open 9am–3pm Monday to Friday, term time for children aged 2–5 years. We offer sessions through the Early years funding scheme, funded two's and accept childcare vouchers.

Our ethos is to ensure high quality care by focussing on each child's ability and interests, providing fun and exciting activities that children learn and develop skills through play in a safe and inviting environment.

Our keyperson and buddy system ensures every child is well supported by qualified practitioners who have a wealth of experience. We work in partnership with parents and our online learning journal supports this by providing families with regular information on the child's development and next steps identified, parents can upload evidence from home too and add their own comments.

Our inside area provides views across the village green in a inviting and welcoming atmosphere. Children can access toys and equipment independently. Skills are developed through activities and routines eg children help to prepare snack with safety knives and learn about how to stay healthy. Lunch clubs are a social time and adults sit at tables with children while they eat own packed lunch, encouraging friendships and social skills.

The extended outdoor learning environment provides opportunities from growing fruit and vegetables for our snack bar to exploring the mud kitchen, large sand pit and our sensory garden.

We welcome visitors from the local community that support our curriculum further.

Interested? You can find out more information on our website www.barhillpreschool.co.uk or call us on 01954 782892 to book an informal visit or for an application form.

— COUNTY COUNCILLOR'S REPORT —

Cambridgeshire Library Service is currently delivered by 32 libraries and 4 mobile library vehicles. It also offers 24/7 online access to e-resources [allowing people to reserve books and other materials, renew loans, etc.]. More than 2.5million people visit its libraries each year. Cambridge Central Library is actually the 4th busiest library in the country. The libraries are staffed by the equivalent of 118.4 full time staff and benefit from the assistance of 911 volunteers. Altogether the service has over half a million books available for loan as well as over 84,000 reference books and 55,000 other items including spoken word and e-books.

Over the past 8 years the library service has become ever more resourceful and has made savings of more than £4million but whilst it has managed to keep all its libraries open, other things like the book fund have suffered. This year the Council is hoping to reinstate £230,000 of funding for this purpose. This and the need to secure the future viability of the service have resulted in suggestions for various ways of generating income: room and facility hire, chargeable events at some libraries, increasing fees and charges and, most controversially, the introduction of charges for computer access. The proposal is to introduce a £1 per hour charge for computer use by adults [anyone over 18] following an initial free half hour. The Council intends to ensure that essential online transactions can be carried out free of charge. It is also intended that libraries will promote the free courses available from the Skills & Learning service to help people develop digital skills and to support Job Centre Plus claimants.

There has been criticism that this change conflicts with one of the main objectives of libraries, that of them being a place which gives universal access to information and thus helps to level inequalities.

The new rules will come into force in April and the Council will review how things are working in September. I would think that the review will include a survey of users but in the meanwhile please do let me know if you experience problems. NHS England is currently asking for information about individual experiences of using out of hours dental care. This is to help in planning for a new out of hours dental service for the County, the contract for which will start from April 2019. If you have had a recent experience of using the out of hours emergency dental care service and would be willing to share the details you can do so at:

<https://www.engage.england.nhs.uk/survey/4503284b/>

Please do contact me about any concerns or questions you have about any local or strategic issue. If you would like to receive a copy of the full report that I write for the division's parish councils each month, please email me and I will add you to its circulation.

**Honest advice with a smile,
we go the extra mile!**

— SCAM OF THE MONTH —

Please note there have been a significant number of Action Fraud Reports relating to this fraud.

Method – fraudsters cold-call victims, falsely claiming to be from the Telephone Preference Service. They say for a small one-off charge they can stop unwanted calls, including from international call centres. Victims are asked to confirm/provide their bank account details.

Result – instead of a one-off charge, victims see unauthorised monthly debits deducted from their account. If victims attempt to ring the number provided by the fraudster, it is unobtainable or requests to cancel the direct debit are refused.

Protect Yourself – there is only one Telephone Preference Service (TPS) to opt out of live telesales calls.

It is FREE to register www.tpsonline.org.uk and they will never make a charge.

Be wary of providing/confirming personal information, especially bank details, during any phone calls you have not initiated.

If you ever have any doubts, hang up.

Protect Others – fraudsters often target elderly victims so keep warning elderly neighbours and family about the potential dangers of all cold calls.

If you have been affected by this, or any other type of fraud, report it to Action Fraud by visiting www.actionfraud.police.uk or by calling 0300 123 2040.

— NEIGHBOURHOOD WATCH — DOORSTEP SELLING – BEWARE!

I had a report recently of a door to door window salesperson calling around Bar Hill whose methods raised suspicions. In general, the police advise against buying from cold callers. Instead, ask for recommendations from friends and family, and get quotes to compare prices and details. **It's your doorstep – saying No is not impolite, it's your right.**

****** So have the confidence to say

- you do not buy goods or services at the door;
- you like to shop around and get quotes;
- you have to discuss it with your partner/son etc.

****** Don't be rushed or pressured with fancy talk.

****** Don't be panicked by alarmist concerns about the condition of your house – *they're rarely true and why should you believe a total stranger?*

****** Be highly suspicious of 'an exceptional offer only available today' or 'a special deal just for you'; *they say that to everyone!*

****** Remember, if it sounds too good to be true, it probably is!

****** You are encouraged to immediately report concerns about suspicious callers on 101. *This might protect a vulnerable person.*

If you would like a 'We do not buy or sell at the door' sticker for yourself and/or a potentially vulnerable neighbour, email nhwinbarhill@yahoo.co.uk or ring 01954 201001.

— FRIENDS OF THE ROSIE —

We had a good talk "A History of Maternity Services in Cambridge" from Hilary Ritchie, the Archivist at our AGM today. More details can be found on our website.

The Friends of the Rosie Hospital are raising money to help make the Rosie a more comfortable environment for mothers and babies. In 2017 we spent £10,783.75 on cool bags for the district midwives. Reclining chairs for tired Dads. A sophisticated teaching mannequin. Money for re-equipping the delivery rooms. Dolls of every ethnicity for the midwives to use for breastfeeding training plus knitted breasts from Rosie in Stitches. These dolls and breasts will be crucial for The Rosie's application for "UNICEF level 3".

The St Ivo Young Entrepreneurs chose The Rosie Hospital as their charity to support. They came third in a school competition and donated £386.16. The Tea Bar raised £2,500 and Rosie in Stitches raised £2,000. Ann Laskey appealed for more regular volunteers to help in the Tea Bar.

— BAR HILL CRICKET CLUB —

By the time you read this, we would have taken part in our Cricket Force event, ensuring all our equipment and machinery is spruced up and ready for action. As for the players, the state of readiness may be more questionable!

We know the youth team will be ready for their first match, which is scheduled for Thursday 3rd May. They have been given their club kit and will look the part when they take to the field for the club's first league youth match in several years.

The youth training sessions on the village green are just about to get under way – keep an eye on our website for more information or contact me on the number below.

We will have a warm-up friendly against Girton on Sunday 22nd April and our first adult league match is at home to Bassingbourn on Saturday 5th May.

The first Cambridge Business Houses (midweek) League match is scheduled for Tuesday 22nd May at home to Invoke. These games consist of 15, eight-ball overs and start around 6pm, making them attractive to those who can't make weekend matches.

Anyone interested in playing for the club in any form of cricket, please contact me on the number below.

Finally, we'd like to extend our thanks to Andy Kent from Andy's Kars, who has once again serviced our roller and precision mower in readiness for the work on the pitch which we will need to do between now and those fixtures. For more information about the club, visit

did you know

Ostriches are often not taken seriously. But they can run faster than a horse, the males roar like lions. And they don't bury their heads in sand.
